💾 Objective

Passionate Frontend Developer with hands-on experience building modern, responsive web applications using Next.js, TypeScript, and React. Proven track record of delivering user-focused solutions with clean code and engaging animations. Experienced in leveraging AI tools for enhanced development productivity and collaborative problem-solving.

🛠️ Technical Skills

Languages: JavaScript, TypeScript, HTML, CSS

Frontend: Next.js, React, Tailwind CSS, Shadcn UI, Framer Motion

Backend & APIs: Node.js, REST APIs, JSON, Express.js fundamentals

Tools & Deployment: Git, Vercel, Figma, Webpack, Vite

AI/LLMs: Claude, ChatGPT, Cursor AI, GitHub Copilot

Model Context Protocol (MCP): Experience integrating AI assistants with development workflows

Experienced: Effective communication, collaboration, problem-solving, user-centered design

🗂️ Projects

VitaFlow - Healthcare Provider Website | Feb 2025 - Mar 2025 | **Live Demo** | **Github**

• Designed and developed a fully-functional front-end website for a pharmacy using Next.js and React
• Implemented responsive design with interactive UI components using Framer Motion animations
• Built custom components with ShadCN UI and Tailwind CSS for a modern, accessible interface
• Created smooth page transitions and scrolling animations to enhance user experience
• Technologies: TypeScript, Next.js, React, Tailwind CSS, Framer Motion, ShadCN UI

Green Thumb - Plant Care Application | Jun 2024 | **Live Demo** | **Github**

• Developed a visually engaging and intuitive plant care web application using Next.js
• Designed user-friendly interfaces providing essential plant care tips and insights
• Implemented responsive layouts using Tailwind CSS for optimal viewing on all devices
• Created custom animations using Framer Motion to enhance user engagement
• Technologies: Next.js, TypeScript, Tailwind CSS, Framer Motion

📚 Education & Certifications

Lambda School (Online Bootcamp)

Full Stack Web Development | Feb 2020 - Oct 2020
Completed a rigorous 9-month program focused coding bootcamp on modern web development technologies.
Developed multiple full-stack web applications collaboratively.
Certified Full Stack Web Developer - Lambda School Certified
Technical Professional - Apple Inc.

💼 Professional Experience

Apple Inc. | Technical Specialist | Jun 2018 - Jan 2020
• Increased customer satisfaction scores by 15% through personalized support and expert product knowledge
• Provided high-level customer service, optimizing product usage and satisfaction

UNIQLO | Sales Associate | Aug 2024 – Present
• Demonstrated strong teamwork, adaptability, and problem-solving under pressure
• Helped drive store efficiency through visual merchandising and 5S organization principles
• Gained insight into customer behavior that informs user-first design thinking
